## Alumni Inquiry

The Alumni Program exists to maximize positive engagement with our alumni, through life-long, mutually beneficial relationships.

As an alumnus of CANADEM GPS, we hope that you still feel a sense of connection. We hope that your experiences as a participant and awareness of the positive impact that CANADEM GPS has had on your life will motivate you to support our Program for the benefit of the future participants, whenever, and however, you are able.

If you haven't already done so, please provide us with a **short bio and picture of yourself** for our website's **Participant section** to inspire future participants to join the International Development community. A face and story are so important!

We would also like to ask you to **write a brief summary of your time in the field in your placement** to be added to our **Forum** as a way for others to decide what area of development they would like to be involved in.

Join the increasing number of participants who are part of our CANADEM GPS Alumni by filling out our Alumni form.

Keeping the Alumni Program Officer ([anita.warwick@canadem.ca](mailto:anita.warwick@canadem.ca)) up-to-date on your current contact and employment information is a great way to support our Program. You are all doing such amazing things in the international development community! The Alumni updates also allow us to keep you apprised of news and information which may be of interest to you as well as paid positions that come across our desks.
